As we begin 2010, the Notre Dame Club of Boston is pleased to report that it has had another successful year. We organized a number of fun and interesting activities covering all of the Notre Dame Alumni Association's "6 C's" – Camaraderie, Christianity, Continuing Education, Current Student Support, Community Service and Communications. Our upcoming newsletter summarizes many of the Club's activities in 2009 and also provides an early look at some of our plans for 2010.

Last year, we were fortunate enough to sponsor the largest Summer Service Project in the Club's history (8 students) and we also awarded our second highest dollar amount of academic scholarships. The Greater Boston area had 40 students enroll at Notre Dame as first year students, bringing the total number of area students attending the University to close to 150.

But we couldn't have done it without the dues-paying members. In order to continue this good work in 2010, we need you to renew your membership.
