

Communications

Wednesday, 12 December 2007

Last Updated Tuesday, 13 April 2010

The ND Boston Club believes that effective communications with its members is crucial to the success of its programs and events. Communications for the Club include our weekly email (with updates on upcoming Club events and University information), this website (check it often for the most up-to-date info on Club happenings), newsletters (sent annually to all area grads, quarterly to dues-paid members), and Facebook and LinkedIn groups. Committee Chair Jim Mills '87 Ph.D.
